

Eugene E. Staffeldt Memorial Scholarship

The Department of Biology of New Mexico State University announces the availability of two \$700 Eugene E. Staffeldt Memorial scholarships for the 2008-2009 academic year to be awarded to sophomore, junior, or senior Biology majors. Dr. Eugene Staffeldt was a highly respected professor in the Department of Biology who was killed in the crash of a light plane in 1977.

Applications should be submitted to Dr. Marvin Bernstein, Chair of the Department of Biology, on or before April 4, 2008.

Application Materials: One copy of undergraduate transcripts and a letter of application that outlines career goals, research experience, honors, and activities.
